## From the Desk of Mayor Bob Iden

In the February issue of the Almanac, I talked about some of the businesses and projects we are looking forward to in 2011. In keeping with that optimistic outlook, I'd like to share that our sales tax revenues have been on a steady increase for the last six months. In addition, we had seven restaurants open in Bloomingdale in 2010 and all are doing well. More good news comes from the following businesses:

**Kohl's in the mall** is planning a \$1 million interior and exterior entryway remodel.

Also in the mall, the **Food Court** is 100 percent leased.

**Now Foods, 395 Glen Ellyn Road**, has \$140,000 in Interior Production Area Improvements in the works.

**JoAnn Fabrics, 362 W. Army Trail Road**, will do a \$75,000 interior remodel, as well as reduce its square footage by 11,000 sq. ft. to the east to make room for a future Ulta Store.

**Courtyard Marriott Hotel, 275 Knollwood Drive**, is working on a \$220,000 lobby remodel.

With this kind of activity, we are cautiously optimistic that we are starting to move upward.

We are currently working on Phase 2A of the Water Reclamation Facility. It is approximately \$5 million in improvements, which is funded with a low interest loan through the Illinois Environmental Protection Agency. Completion is slated for March 2012.

I would also like to take this opportunity to thank the employees of the Village of Bloomingdale for their determination in meeting the challenges presented by the Blizzard of 2011. From manning the Village Hall to keep residents informed, to plowing and re-plowing the roads, to answering emergency calls and everything in between, our employees take immense pride in the services they provide to the residents and businesses of Bloomingdale.

We received many grateful comments from residents and businesses alike regarding the results of the efforts of these employees. I'd also like to thank each of you who came to the aid of neighbors and others you might not have known at all during this historic storm. You will find some pictures on page 5.

Lastly, despite our hopeful look toward the future, the Village will not be hosting Family Fest or Fireworks yet this year. Instead, this year we are planning to work with other Bloomingdale entities to bring the community together by promoting a series of special community events. We will have more information about this plan and some of the upcoming events by the next issue. The first such special event scheduled is the Memorial Day Observance which is held annually at St. Paul's Cemetery on Lake Street. The event is free, well attended and a very moving observance. More details on this event can be found on page 15.

I look forward to warmer weather and wish you all a Happy Spring.

Mayor Bob Iden

# Summer 2011 Road Construction

## Pavement Reconstruction

Reconstruction of Quincy Court (Brewster Court to end) - includes removal and replacement of the existing asphalt pavement and the addition of concrete curb and gutter. The new roadway will be the same width as the existing road; no widening is planned.

Reconstruction of Oxford Lane (Edgewater to Langton Drive), Oxford Place (Oxford Lane to cul-du-sac), Langton Drive (Oxford Lane to Langton Lane) and Langton Lane (Edgewater to Langton Drive) – includes the removal and replacement of all concrete curb and gutter, driveway aprons, and 2.5" of the existing asphalt pavement. As part of the work, the Village will be installing a depressed curb at each driveway. This means the "bump" at the curb of each driveway will be eliminated, and a smooth transition from the street to each driveway will be constructed.

Reconstruction of Hillcrest Terrace (North Circle Avenue to end) – includes the removal and replacement of all concrete curb and gutter, driveway aprons and a new asphalt overlay of the existing concrete pavement. The new roadway will also be widened by 5' as part of the work.

This work will begin mid-May and will take approximately 2 ½ months to complete. During construction, these roads will be closed to through traffic. If you live in the construction zone you will be permitted to proceed past the barricades to reach your residence.

## Pavement Overlay

Overlay maintenance consists of pavement patching, curb and gutter repairs to correct drainage deficiencies, sidewalk repair, storm sewer repairs and a new asphalt road surface. The following streets will receive pavement overlay:

- Royal Lane (Country Club Drive to Royal Court)
- Royal Court (Royal Lane to Scenic Drive)
- Ridge Avenue (Lake Street to Schick Road)
- Schick Road (First Street to Ridge Avenue)
- Springbrook Drive (Fairfield Way to Ridge Avenue)

This work will begin mid-May and will take approximately 2 ½ months to complete. Local signage consisting of "Road Construction Ahead" signs will be posted prior to construction.

If you have any questions regarding this project you may call the Village Services Department, Engineering Division at 630-671-5676.

## Get Info on Recycling Events Here!

We spoke with DuPage County regarding Household Hazardous Waste events and what they have told us so far is that there probably will not be any one day mobile HHW events due to budget constraints. Here is a link to the Naperville Regional Household Hazardous Waste Facility: <http://www.naperville.il.us/emplibrary/HHW%20Brochure%2009.pdf>

To check on some local recycling/shredding events coming up, go to [www.scarcecoed.org/recycling](http://www.scarcecoed.org/recycling) and click on 2011 Recycling Extravanzas & Eco Events

Sign up for the Village's E-News to learn about any HHW or other recycling events that might be scheduled between now and the next Almanac. To sign up for this free E-newsletter, go to [www.villageofbloomington.org](http://www.villageofbloomington.org) and sign up on the homepage.

# Village's Spring Branch Collection Program Begins April 18

Kramer Tree Specialists, Inc. will once again perform branch collection under the direction of the Village Forestry Division. Branch collection will begin on Monday, April 18. The program is only available to single family detached residences. Townhome residents should contact their association regarding branch collection.

## Branch Collection Guidelines:

- Branches must be out by 7:00 a.m. on Monday, April 18.
- **Branches should not be placed at the curb/pavement edge any earlier than one week prior to the scheduled collection date.**
- Woody branches ½ inch to 6 inches in diameter are the only items that will be picked up. (Note: any spikes, hooks or other metal objects must be removed).
- Long lengths are favored provided branches do not block sidewalks and pedestrian access.
- All branches should be placed at the curb or pavement edge and stacked in an orderly fashion with the cut or larger end towards the pavement.
- Thorny tree branches should not be concealed inside piles. These require special care as to not cause injuries to the workers.

## The following items are unacceptable:

- Branches left out in a tangled mess.
- Woody branches under ½ inch in diameter.
- Leaves, vines, small (under ½ inch in diameter) flexible willow stems, herbaceous plants and weeds.
- Large stumps, roots and root balls.\*
- Wooden fencing and construction lumber.\*

The above items are considered yard waste and may be placed in bags or cans with tags for Republic Services (our refuse hauler) pick-up. Yard waste pick-ups commence April 1st and continue through November 30th. Questions concerning yard waste pick-ups should be directed to 847-981-0091.

\*Large stumps, roots and root balls are considered trash and do not require a yard waste tag, provided each item is of manageable size and under 50 pounds. Wooden fencing and construction lumber are also considered trash, but require a special pick-up.

Contact Republic Services for more information.

In the event of severe storms, the Village will provide storm damage collection of woody branches ½ inch to 6 inches in diameter. Please contact the Forestry Division at 630-671-5800 within 72 hours of storm for branch collection.

Your cooperation is greatly appreciated and will ensure a successful program.

Yard waste pickups begin April 1st and continue through November 30th. Small twigs, leaves and other yard waste may be placed in bags with stickers (\$2.57 each) for Republic (formerly Allied Waste) pickup. Questions should be directed to Republic at 847-981-0091.

# A Picture is Worth 1,000 Words

The 2011 Blizzard began on February 1st and dropped over 20 inches of snow on Bloomingtondale over a 24 hour period. The snowfall was accompanied by high winds and drifting, thunder snow, and low to zero visibility, followed by sub-zero arctic temperatures. On Feb. 2, Mayor Iden declared a State of Emergency in Bloomingtondale. Here is some of the story in photos. Also, don't miss the "Blizzard Baby" story on p. 11.

Southbound on Bloomingtondale Road near Schick Road

What a dog has to do to get to his tree!

Making a snowman makes any amount of snow fun.

Teens from Bloomingtondale Church, organized by Daniel Riemenschneider, volunteered to help people dig out.

A lone car stuck at the intersection of Schick and Bloomingtondale Roads.

Excess snow was moved from one location and dumped into open space areas.

## Planning a Garage Sale This Summer?

Here are some important things to remember if you are planning a garage sale:

There is no cost or permit necessary to hold a garage or yard sale; however, the person conducting the sale must notify the police department of the sale prior to the start of the sale.

No more than three rummage or garage sales may be held on the same premises in any calendar year. Each may not be more than 3 consecutive days and can only take place between the hours of 9:00 a.m. and 6:00 p.m.

There are also requirements relative to garage sale signs, including size and placement restrictions.

For more information, contact the Police Department at (630) 529-9868.

## Be on the Lookout for Emerald Ash Borers

EAB was confirmed in Bloomingdale in the spring of 2010. Village Forestry staff continues to monitor the extent of the infestation.

It is important for residents to become educated, aware, and vigilant, inspecting their ash trees for signs of infestation. Although most signs of infestation become apparent in the spring growing season, winter is a good time to check ash trees for woodpecker activity and damage. Woodpeckers feed on EAB larvae located under the bark, and may leave jagged holes in the bark, such as pictured to the right.

If you suspect you have an EAB-infested ash tree, please contact the Village Forestry Division at 630-671-5800.

## Protecting Our Streams

The Storm Water collection system is completely separate from our Sanitary Sewer collection system. Although they both transport flows, their treatment and destinations are distinctively different. The sanitary sewers flow to the Village's Water Reclamation Facility, where it is treated and then discharged into the East Branch of the DuPage River. Storm Water, however, flows directly into one of three tributary receiving streams - the East Branch DuPage River, the West Branch DuPage River, or Springbrook Tributary to Salt Creek, without any pre-treatment.

Anything dumped into a storm water inlet will eventually discharge into a natural waterway, endangering our environment. Village Ordinance 92-31 strictly prohibits anything other than storm run-off to be discharged, dumped, placed or deposited into the storm water system. This includes garbage, debris, landscape waste, leaves, or flammable or toxic substances in liquid, gas or solid forms such as motor oil, gasoline, paint, paint cleaners and cleaning solvents. Fines in the amount of \$50 to \$500 can be levied per occurrence. Violators may be responsible for clean-up costs, which are typically thousands of dollars.

If you see anyone dumping anything into a storm water inlet, please call the Bloomingdale Police Department non-emergency at 630-529-9868, or the Village Services Utilities Division at 630-671-5830.

Pollutants that wash down storm drains go directly to the river. Storm water run-off is now one of the leading causes of surface water pollution in DuPage County according to the Illinois Environmental Protection Agency. For this reason, storm drains are stenciled with the message "DUMP NO WASTE - DRAINS TO RIVER".

Keeping these stencils legible is an on-going project as the let-

tering erodes away. Anyone is welcome to participate in the effort - families, homeowner associations, school groups, scouting groups and service organizations. To schedule a "stenciling" event contact our Village Services Utilities Division at (630) 671-5830. Please bring the following with you for your stenciling event: wear old clothes and shoes, whisk broom and/or wire brush to clean the surface to be stenciled, sheet of cardboard (broken down box) to guard against drifting paint, old rags and bags for cleaning up materials. You will have fun and help your community.

*Storm inlet covered with debris*

## Help Prevent Flooding

We ask residents to check and clean their grates if heavy rains are forecasted, especially in spring and fall. Our crews then circulate during a rain event and check for standing water and will clear the grates to remove the standing water. We do not encourage residents to clean structures under water, but rather have them call into to our non-emergency dispatch, at 630-529-9868, so our crews can get them.

## Arbor Day 2011

The Village of Bloomingdale and School District 13 will celebrate Arbor Day at 1:30 p.m. on Friday, April 29. Forestry staff will plant a Swamp White Oak at DuJardin Elementary School, with the participation of school staff and students. Pictured is the 2010 Arbor Day planting at Erickson Elementary.

You may now pay your utility bill by Visa or MasterCard, either in-person or by telephone.

To pay by phone, please call the Village Hall at 630-893-7000

### The Bloomingdale Golf Club is OPEN For the 2011 Season!

A four-person Spring Scramble is scheduled for April 17th. The event will be a 9:30 Shotgun start. Cost will be \$65 per player. Play will be limited to the first 20 teams. Additional information is available on our website at [www.bloomingdalegc.com](http://www.bloomingdalegc.com) or by calling the pro shop at 630-529-6232.

## BUSINESS NEWS

### THE NEW ANGELA CHRISTIE SALON IS HERE.

Nestled in Bloomingdale for over 5 years this privately owned salon offers hair, nail, and waxing services. The decor is French Neo-Classic where we offer refreshing drinks and treats while waiting for your service. State of the art equipment such as granite-topped salon stations, adjustable shampoo bowls, and a private wax room make the experience even richer. This five-chair salon allows individual attention in a relaxed atmosphere.

Along with new décor comes a new standard of customer service. We applaud your visit and offer a \$5 credit to pre-book future hair appointments, a \$15 credit for each and every referral, as well as our Birthday Club with free gift. Salon hours are: Tuesday – Friday, 10:00 a.m.-8:00 p.m., Saturday, 9:00 a.m.-4:00 p.m., and Sunday, 11:00 a.m.-4:00 p.m. Call 630-351-2040, look for us on Facebook or visit our website: [www.angelachristiesalon.com](http://www.angelachristiesalon.com).

### MARK LEWAN HEADING UP COLLEGE

**WORKS PAINTING:** Mark Lewan is a Roselle native, but Bloomingdale was a big part of his youth as he lived within the Bloomingdale Park District boundaries and was active in its programs and sports. He graduated from Lake Park High School in the top 1% of his 2009 class. In addition to pursuing a degree in General Engineering, the current sophomore at U of I Urbana-Champaign plays for the Illinois Men's Volleyball club and is also pursuing a Business minor. As such, he is working for College Works Painting in a hands-on internship running a branch of their business for the second summer in a row.

This year he is running the Bloomingdale branch, as he did last summer. He will be doing estimates, hiring painters, painting homes, organizing payroll and managing customer relations. If you are interested in having your home painted, while helping young people earn money for college, you might want to give Mark a call at 630-532-9986.

### BRANKA POPLONSKI HONORED WITH GEORGENE GEILS AWARD

On February 22, 2011, Branka Poplonski was named the third annual recipient of the Georgene Geils Award presented by the Bloomingdale Area Women in Business. Branka has been a pillar of our community for many years. As an immigrant to this country almost 40 years ago, Branka had to learn a new language and customs while building a career in the financial industry. She pursued continuing educational opportunities to supplement the degree she had attained in her native country of Slovenia. In 1995, Branka changed career direction and became a realtor for Century 21 Lullo. Since that time, Branka has been inducted into the Century 21 Centurion Honor Society for listing and selling over \$100

million in properties, and is also ranked 14th out of all real estate agents in Illinois and north-west Indiana. Her fellow real estate professionals note that she is also generous with her help to others starting out in the business, mentoring and offering suggestions which have worked for her.

*Business Woman of the Year Branka Poplonski with one of her sons, Eric and her husband, Stan.*

As busy as her career keeps her, Branka has also served her community as a member of many business, civic, school and church organizations. Personally, whenever she becomes aware of someone in need (financially, spiritually, or even politically), she is always the first person to volunteer to help and encourages others to do the same. It might involve spearheading fundraising, getting petitions signed for a candidate, selling tickets for an event, or be as simple as bringing over food, or stopping by to cheer someone with a visit and small gift.

Branka consistently demonstrates excellence in her business and professional life. She is a true model and mentor for the core values of the Bloomingdale Area Women in Business.

## *B-Card* Starts April 2nd

The fourth annual B-Card promotion will be launched on Saturday, April 2 and runs through Sunday, April 10, 2011. As the 2011 promotion only lasts nine days, make sure you get out there to take advantage of the special offers before they're gone!

This year, we have partnered with the Bloomingdale Public Library to let residents use their library card as their B-card. If you don't have a library card, stop in and get one at 101 Fairfield Way. Check the website [www.mybpl.org](http://www.mybpl.org) or call 630-924-2750 for info on requirements to get a new card.

The businesses listed below signed up before the Almanac deadline. The complete list of participating businesses is advertised at the library and on the Village website, [www.villageofbloomingdale.org](http://www.villageofbloomingdale.org). The B-Card will also be downloadable from the Village website, so encourage your friends outside of Bloomingdale to take advantage of the special promotion! ## Bloomingtondale's Blizzard Baby

Bloomingtondale resident Leanna DeMarre delivered her first baby, Adalaide Vesper DeMarre, in the middle of February's historic blizzard, arriving at Adventist GlenOaks Hospital in Glendale Heights at 2 a.m. Wednesday in an ambulance trailing a snow plow.

Leanna woke up at 12:30 a.m. Wednesday, February 2, when her water broke. Her husband, Sean, began furiously shoveling, but soon realized that even if he were able to dig out the car, they wouldn't get very far on the snow-covered streets. The couple called an ambulance, which got stuck in the snow down the street from their home. A fire truck from the Bloomingtondale Fire Department also responded to the scene, as did a Village snow plow. Firefighters shoveled a route from the front door to the ambulance and the plow cleared a path for the ambulance travel three miles south to Adventist GlenOaks Hospital.

Adalaide was born at 5:51 p.m. Wednesday, Feb. 2, weighing 6 pounds 11 ounces, measuring 19.5 inches long. She was delivered by Dr. Krishna Upputuri. Leanna, who had planned to deliver her baby at a different hospital, is grateful for the first responders who brought her to the hospital safely and for the care she received at Adventist GlenOaks Hospital.

It was an exciting night for all involved. Congratulations to the DeMarre family and welcome little Adalaide!

## Want to be a Bloomingtondale Bear?

Our program has been providing football and cheer opportunities to boys and girls, ages 7-15, from the Roselle, Medinah, Keeneyville, Bloomingtondale and Itasca communities for over 40 years. The Bears program is designed to provide an opportunity for young people to learn the basic fundamentals of football and cheer in an atmosphere which stresses sportsmanship, teamwork, safety, and fun. We have no mandatory fundraising, unlike other programs. We work with Lake Park coaches who share the same values. For more information, email us at [bacfootball@gmail.com](mailto:bacfootball@gmail.com) or [baccheer1@gmail.com](mailto:baccheer1@gmail.com). ## Stellar Performances by Lake Park Lancettes and Cheerleaders

### LP Lancettes Crowned AAA State Grand Champions

Congratulations to the Lake Park Varsity Lancettes dance team on being named State Grand Champions, after capturing the AAA Lyrical State Title and ranking 3rd Place in the Open Dance Category at the recent Team Dance Illinois State

Championship Competition in Peoria. Both the Grand Championship and Lyrical Title are firsts in Lake Park history and add to other record-breaking accolades earned this season in regional competition, including repeated artistic and technical wins as the highest scoring team across all categories and divisions.

The team clinched the State Championship with their chilling Lyrical performance "Calm Under the Waves" choreographed by Varsity Coach Stephanie Hageman. In the Open Dance category, the Lancettes celebrated cultural dance forms in "Waving Flag," choreographed by Maria DiPrizio and Lauren Caputo.

### Lake Park Cheerleaders Win State

Congratulations to the Lake Park High School cheerleading squad on winning state in this year's Illinois High School Association (IHSA) Competitive Cheerleading Co-Ed Championship held in Bloomington.

This was the second year in which the Lancers competitive cheerleading squad participated in the IHSA co-ed category. This year, Lake Park prevailed by taking the title with a score of 90.14 out of a possible 100 points.

Winning the state title was the culmination of an impressive season with the Lancers also being crowned the IHSA Sectional Champions and Upstate Eight Conference Champions. Congratulations to the team and head coach Samantha Pavesich and her assistant coaches Kelli Mildren and Lyndsey Urbik.

## Senior Day Fair at Medinah Shriners Banquet Facility On April 29

The Bloomingdale Police Department and the Bloomingdale Senior Citizen Advisory Council invites all senior citizens to the Annual Senior Day Fair on Friday, April 29th, 2011, from 9:00 a.m. until Noon at the Medinah Shriners Banquet Facility – Addison, Illinois (located on Swift Road just north of Army Trail Road). The Senior Day Fair was created by the Senior Citizen Advisory Council to give seniors the opportunity to visit with local agencies, service providers and businesses to help identify the resources that are available to them. The event has been established to provide a means to visit with many organizations/service agencies, in which to obtain senior health and welfare information in a comfortable, friendly setting. Refreshments will be available and there is no fee to enter.

The Bloomingdale Senior Citizen Advisory Council is an organization established by the Bloomingdale Police Department to address the needs and concerns of the senior population. The Council consists of various senior citizen representatives from local organizations, homeowners associations, church groups and activity clubs. The members of the Senior Citizen Advisory Council are diligently working on the event to provide a wide variety of services, in which participants can gather information and meet with representatives to ask questions and address the issues of seniors. Giveaway bags and other items will be distributed upon arrival and throughout your visit. Door prizes will be given out each ½ hour during the event.

Over fifty agencies will be in attendance at the Senior Day Fair and the following are some of the agencies/ services involved:

**Local hospitals:** Alexian Brothers Medical Center, Central DuPage Hospital, Glen Oaks Hospital (providing health services, such as blood pressure checks)

**Local dentists, chiropractors, eye doctors, foot doctors, pharmacists:** Discuss options with Home Health Agencies, Adult Support Services and Extended Care Centers

**Meet with volunteers and consider joining Community Groups/Activity Clubs**

**Governmental Units:** Local Political Representatives, Village, Police, Fire, Park District, Library

**Wholesale stores and Fitness facilities**

**Bloomingdale Lions Club –** Collection of Used/Unwanted Eye Glasses and Hearing Screening Service

For further information, contact Officer Dawn Odoi at (630) 529-9868.

## Memorial Day Celebration

The Annual Memorial Day Observance takes place at 9:30 am on Monday, May 30th at St. Paul's Cemetery, on the north side of Lake Street, east of Circle Avenue.

The Bloomingdale Historical Society is joined by the Bloomingdale Public Library, Village of Bloomingdale, Bloomingdale VFW Post #7539 and Alden Valley Ridge for this touching tribute to our veterans.

The observance lasts about 45 minutes; free refreshments are provided.

Parking is available in businesses lots not open that day. Bring a lawn chair if you wish or an umbrella in case of inclement weather.

The Historical Society is looking for star flag families – whether they are blue, silver or gold.

So far the BHS is aware of two blue star families in town. Flag families are encouraged to register with the Historical Society by calling Kandy at 630-529-3120 ext. 2801 or Bonnie Homola at 630-582-8101.

## Generous Donation Allows Bloomingdale Park District Bunny Bash Free for All Participants

Thanks to the generous donation of longtime Bloomingdale resident Joe Salerno, the Bunny Bash, one of the Bloomingdale Park District's most popular annual events, will be completely free to all participants.

The annual event begins at 9:30 a.m., April 16 with the Lions Club Easter Egg Hunt. The egg hunt has always been free, and Mr. Salerno, a 6+ year member of the Lions Club, wanted the whole event to be complimentary. Thus, he was kind enough to reach out to the Park District and donate the additional resources necessary.

The facts that the Bunny Bash is affiliated with the Lions Club and benefits children were the two reasons Mr. Salerno cited as to his generosity toward this particular program. In the past, he's donated to the local Drug Abuse Resistance Education (DARE) program, as well to the holiday Cops & Kids Shopping event.

Mr. Salerno, who is also the owner of Salerno's Rosedale Chapels, plans to attend this year's event and hopes to bring his six grandchildren.

"I just wish everyone luck at the egg hunt, and I'm hoping for some good weather," Salerno said.

## Making a Difference Through Leadership

Halia Lodewyck, a Marquardt Middle School seventh grader, recently had a special opportunity to take part in a unique leadership development program. She was nominated by one of her teachers for the program and was ultimately accepted, taking part in a four-day conference held in Oak Brook last month.

The National Young Leaders State Conference (NYLSC) is sponsored by the Congressional Youth Leadership Council, an independent educational organization dedicated to identifying and nurturing leadership. The NYLSC challenges the young scholars to work within each activity presented in order to hone their own plan of personal leadership. The conference helps students get at the heart of their innate talents and skills, as well as helps them identify how best they can serve within their communities.

Halia is already active in several sports, takes part in Tech Club and Student Council and volunteers at the Park District. She was very enthusiastic about her whole experience. She was amazed at how quickly the students connected with each other. The classes and workshops presented core leadership tools and helped the students gain a new perspective on how they view their role as leaders within the community. Halia said the weekend a lot of fun and she learned a lot. The 13-year old also made it clear that she came away from the whole experience, not only wanting to become even more involved in her community, but also to be able to make a difference.

## Hidden Electrical Hazards at Home

Electricity and cooking are two of the most frequent causes of house fires and burn injuries. The Bloomington Fire Protection District and National Fire Protection Association (NFPA) encourage you and your family to use safe practices in your home.

### Hidden Electrical Hazards

Ignoring your home's electrical system can be a costly mistake. Our lives literally depend on the safe use of electricity in our homes, and often safety hazards can go unnoticed or unseen. Even what homeowners might think of as a "minor" problem can lead to a devastating fire. In fact, electricity is a leading cause of home fires in the U.S. Each year fires that start in electrical systems or lighting equipment:

- damage more than 24, 000 homes
- kill 320 people
- injure 830 more

In addition, the Consumer Product Safety Commission estimates that 50 people die every year from accidental electrocutions involving residential wiring, panel boards, circuit breakers, and outlets. Another 40 electrocutions each year involve household appliances that are connected to the wiring of homes.

By making sure you have a thorough electrical inspection completed by a qualified electrician before buying, selling, or remodeling a home, you can help ensure your home's electrical system operates at the highest level of safety possible.

### Cooking

Two-thirds (66%) of home cooking fires started with the ignition of food or other cooking materials.

#### Facts & figures

- Cooking equipment fires are the leading cause of home structure fires and associated civilian injuries. These fires accounted for 40% of all reported home structure fires and 36% of home civilian injuries.
- Cooking equipment was involved in two of every five (41%) reported home fires.

- Unattended cooking was by far the leading contributing factor in these fires.
- Clothing was the item first ignited in less than 1% of these fires, but these incidents accounted 15% of the cooking fire deaths.
- Ranges accounted for the largest share (59%) of home cooking fire incidents. Ovens accounted for 16%.
- Three of every five (59%) reported non-fatal home cooking fire injuries occurred when the victims tried to fight the fire themselves.

#### NFPA Safety Tips:

Be on alert! If you are sleepy or have consumed alcohol, don't use the stove or oven.

Stay in the kitchen while you are frying, grilling, or broiling food. If you leave the kitchen for even a short period of time, turn off the stove.

If you are simmering, baking, roasting, or boiling food, check it regularly, remain in the home while food is cooking, and use a timer to remind you that you are cooking.

For more information on home fire safety or other safety topics, contact Lt Richard Kurka at the Bloomington Fire Protection District 630-894-9402.

Teacher Jan Gillespie and her special needs class from Stratford Middle School recently took a community trip to the Bloomington Fire Station on Bloomington Road. As you can see, a good time was had by all!
