

# Village of Bloomingdale *Almanac*

August 2016

Growth with Pride

## Thanks for Investing in Bloomingdale Spirit

The return of Fireworks to Bloomingdale on July 2 was an unprecedented success. The fireworks display was sponsored by the Village and by the gracious generosity of the following Bloomingdale businesses:

Hilton Indian Lakes Resort  
Stratford Square Mall  
Angelo Caputo's Fresh Market  
Pan American Bank  
Catering with Elegance  
Golf Plus Inc.  
Hyde-Near Properties LLC  
Anyways American Grill & Pub  
Blooming Nails  
El Burrito Loco  
Johnny G's Quality Meats  
Pickle Piano  
Pink Hair Studio

We encourage residents to support these community-minded businesses who partnered with the Village in bringing back the fireworks tradition to Bloomingdale.

Monies donated by the above businesses will also be used to help fund the Christmas

## 2016 Bloomingdale Septemberfest 43 Years of Fun, Food & Community

On Saturday, September 10, 2016, the Village of Bloomingdale will celebrate the 43rd Annual Septemberfest. The day-long event is the well-loved, traditional end of summer event, held in Bloomingdale's Old Town Park, near the corner of Bloomingdale Road and Lake Street (Rt. 20).

Beginning at 11:00 a.m. the Septemberfest Parade leads off from DuJardin School on Euclid. The parade heads north on Euclid to Schick Road, where it proceeds

west into Old Town. The procession concludes in Old Town Park, where participants can spend the afternoon and evening enjoying the fun activities and entertainment. As always, the festival features a variety of food and drink vendors, crafters, local business booths, live entertainment and much more! Also running in conjunction with Septemberfest are family-friendly carnival rides and games located on the southeast corner of

Bloomingdale Road and Franklin Street in St. Paul Church's parking lot. These rides open on Saturday at Noon.

## Lake Street Replacement Street Lights On Order

After the Village discovered serious defects due to significant corrosion at the base of the 15-year old street lights along Lake Street earlier this year, all were taken down.

Considerable research was done to ensure the replacement light standards would be more durable.

At the July 18 Village Board meeting, the Board approved a contract for the

83 replacements which will be placed from Glen Ellyn Road to Maple Avenue just west of Bloomingdale Road. Fabrication will take approximately 10 weeks, with the new light poles

installed in October.

The Village is currently researching the use of LED bulbs which may be installed at a future date.

*Gail Sanders of the Bloomingdale Garden Club reports that because of the wonderful job the Park District crew did preparing the gardens and the great weather this year, the group has been able to deliver over 60 pounds of produce to the Bloomingdale Township Food Pantry. So far they have harvested lettuce, kale, Swiss chard, spinach, sugar snap peas, radishes, basil, dill, cilantro, parsley, cucumbers, summer squash, zucchini, jalapeno peppers, hot banana peppers and cyan peppers, with more to come of all of these. Club volunteers also anticipate a good harvest of green beans, beets, carrots, green peppers, eggplant, potatoes, and tomatoes.*

## Stay in Touch

E-News is a great way to keep up with timely information on news in Bloomingdale, such as a heads up on the branch pick-up schedule, a reminder about National Night Out, or even a note about the newest fresh produce available at the current Thursday afternoon Farmers Market.

And in the case of an unusual event, such as a major snowstorm, the Village can send out critical information to all subscribers, as it becomes available. To sign up for the E-News, go to [www.villageofbloomingdale.org](http://www.villageofbloomingdale.org) and click on Village News on the right side of the homepage. Click on "Sign Up for Village E-News." It's easy and free!

## A Message from Mayor Franco

Wow! Talk about lighting up the sky! I hope that those of you who were at Indian Lakes or in town thought the July 2 fireworks display was as awesome as I did. Thank you for the positive calls, notes and Facebook comments about how great the display was and I am pleased that the residents and their guests, as well as visitors to town, enjoyed and appreciated the traditional Independence Day celebration!

I have to extend a huge thanks to our Police Department and Village Services Department for all the preparation, troubleshooting and cleanup after the fact, as well as the police personnel who provided the traffic control and security before, during and after the event. Everything seemed to go without a hitch. Thanks to Indian Lakes for hosting the celebration, as well as providing entertainment for the little ones and making food and beverage available to the crowd. Thanks to Stratford Square Mall and Westfield Middle School for lending their parking lots, and also to the mall for helping fund the shuttle buses.

Thanks and recognition also go to the eleven additional businesses listed on p. 1 who graciously partnered with the Village to make the display possible. Their support will also help fund additional lights for the holidays. Business partnerships are still welcome to support our holiday light displays throughout town. For more information, see the info at the bottom of page 6.

I am also excited about the Farmers' Market which began in Old Town in June. We are now up to 20 vendors, selling local farm fresh fruits, veggies, and eggs, grass-fed free range bison, pork and poultry, Wisconsin cheese and cheese curds, honey, jams, bakery goods, specialty dog treats and more. In addition, the fresh crepes and tamales made while you wait are delicious!

The Farmers' Market has been a longtime request from residents. Now that it is finally here, we have to support it if we want our vendors to return in 2017. Please, if you have not been out to the market, come by. As the summer goes on, even more produce will be available. Watch the Village e-news and Facebook for updates on new vendors, what's in season at the market each week, Community Table representation and the kiddie activities available each week. Do not worry about parking-it may look congested from the outside, but there is ample parking onsite.

In closing, I want to take the opportunity to thank and recognize resident Steve Apostolopoulos who has stepped down after serving as a volunteer for 25 years on Bloomingdale's Police Pension Board. Members of this board serve as trustees and administrators of the pension fund for all sworn police personnel. Steve's expertise and knowledge greatly assisted the Fund in managing its \$29 million investment portfolio achieving average annual returns of over 9% during his service to the Board. His generous donation of his time and talents over the years is greatly appreciated.

See you at the Farmers' Market or Septemberfest – hopefully both!

Mayor Franco

## Update on Two Road Construction Projects

**The Glen Ellyn Road paving between Lake St and Army Trail Road** - At the time of this writing in mid-July, the paving is presently underway. We are anticipating all of the work, with the exception of landscaping, to be completed before the publishing of the August Village *Almanac*.

Landscaping will be completed later in the summer of 2016 when cooler temperatures are present so that the sod does not wither in the hot, dry summer.

Thank you for your patience and understanding during this project.

**Army Trail Road/Springfield Drive intersection improvements** – (related to the Chick Fil-A construction last year) The contractor building the project for the intersection improvements has advised the Village that the improvements will be completed before Labor Day.

The remaining work includes installation and activation of the new traffic signal equipment, removal of the temporary signal equipment, road paving and pavement striping, and final restoration.

Thank you for your continued patience during the construction activities.

*Twenty-year Bloomingdale Police veteran Aaron Machek was sworn in as a Sergeant by Mayor Franco at the July 11, 2016 Village Board meeting.*

Please do not rake, pile or blow debris, grass clippings, leaves or tree branches into the street or into, over or near a storm sewer drain. They can cover storm water inlets, preventing water from flowing into the storm sewer system creating a greater chance for localized flooding.

When autumn leaves begin to pile up around the yard, the **Village Building and Zoning Division would like to remind all property owners that raking or blowing leaves into the street or curb is a violation of section 5-2-4 A.2 of the Village's Municipal Code.** When leaves are raked or deposited into the street, they can also cover storm water inlets. Not only does this create a greater chance for localized flooding, the deposits which eventually decay are also unsightly. The Village's street sweeping program is designed to only collect those leaves that fall naturally onto the street, **NOT** leaves that are raked or deposited into the street by the property owner or landscape maintenance contractors.

If you have any questions regarding compliance with Village Code, please contact Building & Zoning/Code Enforcement at 630-671-5660.

**Please collect and deposit leaves in brown kraft paper yard waste bags.** Each yard waste bag must have a yard waste sticker affixed, or it will not be collected by Republic Services. Yard waste stickers are sold at the Village Hall, and local retailers such as Caputos, Jewel and Ace Hardware. Tagged yard waste bags may be placed at the curb after 6 p.m. on the night before your collection day. If you have any questions regarding the yard waste collection program please contact the Village at 630-671-5613.

5:30 – 7:00 p.m. Hot dogs, hamburgers, chips, cookies, etc. will be provided free of cost

5:30 – 7:00 p.m. St. Paul Evangelical provides free sundaes

6:30 – 7:00 p.m. K-9 Demo featuring Kane, Bloomington's Police Dog and his handler, Officer Levi McGhee.

7:00 p.m. – Dusk. Two Heroes vs Half-Pint Baseball games will take place in Circle Park.

The police will play the older youngsters  
The firefighters will play the younger ones.

Pre-registration with the Park District is necessary for these games.

Any questions, contact Officer Dawn Odoi at (630) 529-9868. This evening is a "Thanks" to the Neighborhood Watch Block Captains and participating residents. Please consider joining them for this free, fun, family event and help to "Take a Bite Out of Crime!"

## Summer Water Conservation

From May through September of each year the use of the public water supply for sprinkling of lawns with automatic sprinkling devices is prohibited except for:

- Single family residential with odd numbered addresses on Monday, Wednesday and Saturday between 5 a.m. and 9 a.m. or 5 p.m. and 9 p.m.
- Single family residential with even numbered addresses on Tuesday, Thursday and Sunday between 5 a.m. and 9 a.m. or 5 p.m. and 9 p.m.
- Commercial, industrial, manufacturing, office buildings and multi-family residential buildings on Tuesday, Thursday and Sunday between 5 a.m. and 9 a.m. or 5 p.m. and 9 p.m.

The use of automatic sprinkling devices is prohibited on all Fridays. Violators are subject to a fine of \$25 to \$50 for each violation of the order.

For more information, contact the Utilities Division at 630-671-5830.

Handheld sprinkling is not regulated.

## Ice Cream Social August 4

The Ice Cream Social sponsored by the Bloomingdale Friends of the Library takes place on Thursday, August 4 from 5:30-8:30 p.m. Free rides and games for the youngsters, music, food available for purchase, including ICE CREAM, of course! The celebration marks the end of the Summer Reading Program! Join the fun.

## Have a New Tree? Please Water It When Temperatures are High and Rainfall is Low

The Forestry Division is requesting help from residents to keep newly and recently planted trees watered when the temperature climbs and there isn't enough rain. Trees lose lots of water when the temperature climbs.

Proper watering is the single most important aspect of maintenance of transplanted trees. The goal is to provide at least 1 to 2 inches of water every two weeks, more often in very hot weather.

Here are two easy ways to accomplish watering:

1. Set a garden hose at the base of the tree, and let it trickle for 15 minutes.
2. Perforate a 5-gallon plastic bucket with several holes, place it near the trunk of the tree and fill it with water. Allow the water to seep out, then repeat.

After the tree has been established for two years the root structure is better able to withstand a wider range of water conditions.

## O'Hare Runway Rotation Plan Test

The Federal Aviation Administration (FAA) has approved a six-month test of a Fly Quiet II Runway Rotation Plan to bring nighttime noise relief to residents living near O'Hare International Airport. The Fly Quiet II Runway Rotation Plan, developed by the O'Hare Noise Compatibility Commission (ONCC), in conjunction with the Chicago Department of Aviation (CDA), Suburban O'Hare Commission and the Fair Allocation in Runways Coalition, will achieve a more balanced distribution of overnight noise exposure for Chicago and suburban communities.

The test, which went into effect on July 6, 2016, consists of 12 weekly primary and secondary runway configurations that will be rotated over 25 weeks. ONCC membership approved the weekly runway rotation plan in May by an overwhelming majority vote. For each week, a primary runway operating configuration is designated with an alternate configuration designed to accommodate factors such as wind or construction if needed. Each of the 12 weekly runway designations consists of either two runways (one arrival and one departure runway) or one mixed use runway used for both arrivals and departures.

The rotation schedule along with a survey for residents to provide test program feedback will be posted on [www.flychicago.com/flyquiittest](http://www.flychicago.com/flyquiittest) for the public to view online along with other pertinent information, such as the start and end time of Fly Quiet II and the average duration of time for each weekly period. At the conclusion of the test period, the ONCC will provide a recommendation to the FAA as to whether or not the Interim Fly Quiet II rotation plan should be implemented beyond the six-month test period and until the closure of Runway 14R/32L. The FAA will make the final decision.

The kiddie carnival will operate a preview night from 5:00 to 10:00 p.m. Friday, September 9, 2016 with unlimited carnival rides for just \$15 per person.

At 12:15, following the opening ceremonies, the Septemberfest/Joe Draghi Scholarship recipients will be announced. This scholarship fund has given thousands of dollars to young adults in our community. Thanks to all who have given thus far, as the scholarships are funded entirely through personal and local business donations. Please consider becoming a "Friend of Septemberfest." Your name will be listed on a sign posted at the fest as a donor and your charitable contribution will help young men and women toward a better future. Note this year Visa & MasterCard donations can also be accepted. A form to donate is located to the left. An extra special thank you to Bloomingdale Bank & Trust for once again generously donating \$1,000 to the scholarship fund, thus providing one entire scholarship.

A perennial favorite, the Septemberfest Car Show, is open 12:30 'til 4 p.m. adjacent to Old Town Park, in the parking lot next to Rooster's Barn and Grill, 122 W. Lake St. At 4:00 p.m. awards will be presented for The People's Choice, Participant's Choice, and the Marilyn Zaccardi Trophy. The Zaccardi Trophy is named in honor of Marilyn Zaccardi, a longtime civic-minded resident who ran the Bloomingdale Septemberfest Car Show with great enthusiasm from 2005 through 2010. Specialty awards are also presented by a three-judge panel, as well as by Turtle Wax.

The afternoon will feature entertainment from several local groups from tumblers to dancers, singers and more. After 3 p.m., we will hear from **PolySci**, a Bloomingdale area band, which plays the gamut of Rock, Funk, Jam, Fusion, Reggae and anything else with a groove. Our next act will be **Jennifer Fletcher and the Reckoning** who are known for performing a Country blend of Americana music. Songwriting and performing with accomplished musician, Frank Loria, this talented duo, has come together to form an amazing and unique sound. See them with their full band at Septemberfest.

Wrapping up the evening from 7 – 10 p.m. will be **7th Heaven**, an experience you just have to see and hear! The band, which started in 1985, has charted #1 on the Midwest Billboard Charts three times in the past three years. This high energy group packs venues across the Midwest U.S. and on September 10, it will be Old Town Bloomingdale!

Plan to meet friends and neighbors at the 43rd Septemberfest on Saturday, September 10 in the newly re-designed Old Town Third Street area.

## Bloomingdale Spirit (continued from page 1)

light displays which will be expanded for the 2016 holiday season.

Both the Fireworks display and Christmas Light displays have met with great public appreciation. Other businesses interested in partnering with the Village to keep these programs going are welcome to join in. Letters from the Mayor were sent out in June to all businesses regarding levels of participation. If you have any questions or need another copy of the information, call 630-671-5600.

In order to be listed in the December *Almanac* as a sponsor for the Christmas lights, your donation needs to be submitted by October 30, 2016.

## CITIZEN POLICE ACADEMY RETURNS

The Bloomingdale Police Department is once again offering the Citizen Police Academy Program for its community members. The Citizen Police Academy has been a natural step from the Neighborhood Watch Program to enhance the lines of communication with individuals who live and/or work in Bloomingdale, by providing an insight into police work procedures.

The ten-week session will consist of a series of instruction and discussion to provide an overview of various areas of law enforcement. The classes will be held on Wednesday evenings in September, October, and November, each for a three hour interval, during which police officers instruct on the following topics: Department Organization, Testing Process, Building Tour, Adult and Juvenile Criminal Law and Procedures, Traffic Stops and Radar Enforcement, Accidents/Crash Reports, D.U.I. Procedures, Use of Force/Liability, Defensive Tactics, Firearms Safety, and Interviewing/Interrogation overview.

If interested in participating in the Citizen Police Academy or for further information, please contact Officer Dawn Odoi at (630) 529-9868.

## Help Kids Have a Safe Start to the New School Year

It's hard to believe that school will be beginning before the end of this month! This is an excellent time to review school safety with your children. Here are a few "common sense" safety tips that can benefit children of all ages.

### Walking to and from school:

- Choose a safe route for walking to and from school. Avoid walking by vacant lots, fields, or other areas where there aren't many people around.
- Use the buddy system; it is safer to walk in a group than by yourself.
- If you bike or skate to school, wear a protective helmet and don't forget to lock your bike.
- Cross the street at corners or crosswalks; Stop and look in all directions.
- **Never** talk to strangers or accept gifts or rides from people you don't know. If a stranger approaches you, **RUN- YELL- TELL** an adult or call 9-1-1.
- Let your parents know if you need to stay late at school or if you plan to go to a friend's house instead of going straight home.

### At school:

- If you see something that makes you uneasy or you think isn't right—a stranger hanging around school, a bully bothering other youths, vandalism or graffiti—tell a teacher or your parents right away.
- Learn to settle arguments with words, not fists. Walk away from an argument instead of fighting. Never bring weapons of any kind to school and tell a teacher immediately if someone else has a weapon.

## Carrying the Torch

Bloomingdale Police Officers Dominick Corsiglia (l) and Jin Han (r) participated in this year's Special Olympics Torch Run on Sunday, June 5 as it came through Bloomingdale. Officer Han was honored to carry the torch during the leg through our town.

The Bloomingdale Police Department (BPD) will be participating in one more fundraiser coming up for the Illinois Special Olympics this year. Usually it is a "Tip a Cop" fundraiser at a local restaurant. Watch the E-news, as well as the BPD and Village of Bloomingdale Facebook pages for more details.

There are still Torch Run T-shirts \$15, caps \$15 and pins \$5 available – all 3 for \$25. In addition, the Police Department always accepts donations for Special Olympics. Call Officers Jin Han or Dominick Corsiglia at 630-529-9868 for more information.

## Neighborhood Watch General Meeting

The Neighborhood Watch General Meeting will be held on Wednesday, September 14, 2016, at 7:00 p.m., Village Hall Council Room, featuring 9-1-1 dispatching services and Smart 9-1-1.

On Friday's opening night Rock meets Country with **4 GRAND** appearing from 5-7 p.m., followed by headliner **IN THE STIX**, one of Chicago's best modern country bands, from 8 - 10 p.m.

On Saturday, there is a full day of music with **MIDNIGHT RIDER BAND** opening the fest from Noon- 2 p.m., followed by **BLUE ONYX** at 2:45 - 4:45 p.m. and leading into **97NINE** at 5:15 - 7:15 p.m. Then Saturday's headliner, **SIXTEEN CANDLES**, dominates the stage as only they can from 8 - 10 p.m.

Sunday's line-up is another full day with **JANE JACKSON** opening at Noon-12:30 p.m., followed by **THE KOBANES & AQUAHOOLS** from 1:30 - 3:30 p.m. **COUNTY LINE LIVE** will be rockin' the country sound from 4:15 - 7 p.m. And capping the weekend, **WEDDING BANNED**, will have the crowd up and dancin' from 8 - 10 p.m.

Also included during the hours of the fest operations are the carnival rides and games from Fund Ways of Illinois, a Beer Tent, food trucks and vendors from Stratford Square Mall, including Sbarro's Pizza and Quick Fire Café. On Sunday, a magician and balloon artist are also scheduled to provide children's entertainment.

A \$3 per person entry fee will be charged with the proceeds donated to a local not-for-profit. Make it a point to head out to Stratford the last weekend of August to soak up a little sun, a lot of music and a great time for the whole family!

# Go Orange in September To Feed the Hungry

## Lions Honor Supporters Tony Spavone and Mary Ellen Johnson

Residents Tony Spavone and Mary Ellen Johnson were honored for their support by the Bloomingdale Lions Club at its 2016 Installation of Officers Dinner in June.

Tony was recognized and thanked for his many years of hosting Lions' meetings and events at Spavone's Ristorante, as well as for entertaining the club's guests with his wonderful gift of song.

Mary Ellen was recognized and thanked for her determined efforts to help publicize the Lions events and accomplishments over the years.

## Need Service Hours?

The Bloomingdale Historical Society needs volunteers to help take inventory of their collection of historical objects. Middle School students and older can apply. Call Bonnie at 630-582-8101.

September is National Hunger Awareness Month, and Mayor Franco has proclaimed Thursday, September 8, 2016 as the 3rd Annual **GO ORANGE DAY** for Hunger Awareness in Bloomingdale. Participation in **GO ORANGE DAY** continues to increase each year in Bloomingdale's schools and throughout the community. The Village urges everyone to join in this year to Take Action Against Hunger.

- Wear Orange to Work or School on GO ORANGE Day to raise awareness.
- Encourage conversation about hunger with your friends, family and coworkers, and on Social Media.
- Donate Food/Supplies to local food pantries all year long, and during September Hunger Awareness month (at the Bloomingdale Village Hall, Park District or Library)
- Volunteer at a local food pantry, collecting and/or delivering food to those in need.
- Make a donation to the Northern Illinois Food Bank (every \$1 provides \$8 worth of food) [www.northernillinoisfoodbank.org](http://www.northernillinoisfoodbank.org) or to the Bloomingdale Township Food Pantry
- Like Northern Illinois Food Bank on Facebook, follow it on Twitter [@ilfoodbank](https://twitter.com/ilfoodbank) or Instagram

## Childhood Cancer Awareness Month

Four years ago Mayor Franco declared September to be Childhood Cancer Awareness month in Bloomingdale at the urging of resident Janine Delaney, a 16-year old childhood cancer survivor. The community has embraced the cause with an enthusiastic and widespread response. This year's CureSearch Walk is being held on Sunday, September 25 at Boomers Park in Schaumburg. Search [www.curesearchevents.org](http://www.curesearchevents.org) for more information.

## ComEd Reliability Improvements

During August of 2016, ComEd, and its sub-contractor Intren (also including services provided by Josco), will be replacing old underground electric cable in certain areas of the Village. The Project Location follows the location of the existing underground electric distribution network usually in rear yards of properties; the Project Location boundaries are Ridge Road/Cambridge Lane on the west, Hingham Lane on the south, Fairfield Way on the east and Lake Street on the north.

The work is part of ComEd's annual system reliability improvements. The majority of the work will be completed by Intren, a sub-contractor to ComEd. To minimize disturbance and the scope of restorations, horizontal directional drilling, a steerable trenchless method of installing underground pipes, conduits and cables, will be used to replace the underground cable. Only occasional excavations will be required to complete the work.

Minimal, if any, electrical service disruptions are expected in completing the work. Both ComEd and Intren/Josco personnel will be working in rear yard and/or side yard easements to complete their various tasks. Intren/Josco will place a door hanger notifying affected property owners in the work area. Both Intren/Josco and ComEd workers will be wearing or carrying identification. Both ComEd and Intren vehicles should be also be clearly marked. No workers should ask you for access to the interior of your residence to complete the work, as it is not necessary. Areas disturbed by the work will be restored with top soil and seed blanket as weather permits in the Fall of 2016.

Please direct any questions or concerns to Rick Ryman, Project Manager for Intren at (815) 482-0617. You may also contact the Village of Bloomingdale, Engineering Division at (630) 671-5676.

## VFW Meetings & Veterans Clinic Scheduled

Bloomingdale VFW Post 7539 meets on the third Thursday of the month from 7-8:30 p.m. in Room B on the lower level of the Bloomingdale Public Library. Arrive early at 6:30 for coffee and donuts prior to the meeting. The next two meetings are August 18 and September 15.

Anyone interested in Veterans Benefits is invited to attend the Veteran Clinic and Expo sponsored by **Bloomingdale VFW Post 7539** from 8:30 a.m. to 1:30 p.m. on Saturday, September 24 at Trinity Lutheran Church, 405 South Rush Street, in Roselle

**Make sure you bring a copy of your DD214.** VA personnel will be on hand to help with enrollment in the VA Health Care System, file claims, get a free flu shot, and learn about current job opportunities. Local community colleges and CHAD affordable housing, as well as State and County agencies, will all be on hand to answer questions and provide information.

Take advantage of this event to learn more about your benefits, services available, and programs designed to help you, the Veteran.

In addition, donations to the Veterans Exiting Homeless Program would be greatly appreciated. When a veteran leaves a shelter or transitional housing to move to a permanent residence, they often need the basic items to set up their new home, such as personal hygiene items, kitchen and cleaning tools, bathroom needs (shower curtain, toilet brush, etc.), as well as miscellaneous needs, flashlight with batteries, wall calendar, aluminum foil, screwdrivers, light bulbs, laundry basket, duct tape, scotch tape, clock, etc.

## Fire Prevention Week is October 9-15

The Bloomingdale Fire Protection District and National Fire Protection Association remind you that Fire Prevention Week is October 9-15 this year. This year's Fire Prevention Week campaign, "Don't Wait – Check the Date! Replace Smoke Alarms Every 10 Years," represents the final year of a three-year effort to educate the public about basic but essential elements of smoke alarm safety.

Why focus on smoke alarms three years in a row? Because national data shows that residents have many misconceptions about smoke alarms, which may put them at increased risk in the event of a home fire. For example, only a small percentage of people know how old their smoke alarms are, or how often they need to be replaced.

As a result of those and related findings, we're addressing smoke alarm replacement this year with a focus on these key messages:

- Smoke alarms should be replaced every 10 years.
- Make sure you know how old all the smoke alarms are in your home.
- To find out how old a smoke alarm is, look at the date of manufacture on the back of the alarm; the alarm should be replaced 10 years from that date.

For more information about smoke detectors or other home safety tips, contact Battalion Chief Richard Kurka at the Bloomingdale Fire Protection District 630-894-9080.

# Around and About Town

## Congratulations to BPD Officer Raymond Murrell

Officer Raymond Murrell graduated on Friday June 17, 2016 from the Suburban Law Enforcement Police Academy (SLEA). Bloomingdale Police Chief Frank Giammarese was the keynote speaker for the event. Officer Murrell was presented with the George Graves Award for being selected as the most distinguished recruit by his fellow officers in the class.

We offer congratulations to Officer Murrell as only one recruit in the 12 week class wins this honor. The award was presented by former Downers Grove police chief Chief George Graves, who is the founder/driving force of the SLEA academy.

Officer Murrell will be finishing his field training with our police officers in October.

He is pictured below with (from left) George Graves and Bloomingdale Chief Frank Giammarese after his graduation.

## Congratulations Scholarship Winners!

## Bloomingdale Chamber Moving to 104 Bloomingdale Road

The Bloomingdale Chamber of Commerce will be moving its office from the Old Schoolhouse at 108 W. Lake Street to 104 S. Bloomingdale Road, during the month of August. Their new location is one of Bloomingdale's few remaining historic houses built in the early 1900s. Pan American Bank will be the new tenant in the schoolhouse at 108 W. Lake Street. The structure built in 1894 is on the National Register of Historic Places. The bank will make no changes to the building which will endanger its historic status. The Bloomingdale Historical Society has reviewed the plans and, along with the Village Board, is confident the bank will be a good tenant, respectful of the history of the building and Bloomingdale.

## 50 Men Who Cook

Join us for the 8th annual 50 MEN WHO COOK, a community-wide event sponsored by the Bloomingdale Chamber of Commerce. It is a casual evening featuring local men who prepare tastings of their favorite home-cooked dishes for public sampling and judging to help support area schools.

This year's culinary extravaganza takes place on Saturday, September 24, from 6 - 8 p.m. at Hilton Indian Lakes Resort. The evening includes a smorgasbord of tastings, raffle prizes, local musicians and a chance to vote for your favorite chef. Proceeds from the event support wellness activities in local schools and community events of the Bloomingdale Chamber of Commerce. Tickets are \$30 per person.

Check [www.bloomingtondalechamber.com](http://www.bloomingtondalechamber.com) or call 630-980-9082 for information about signing up as a cook, sponsoring the event, or purchasing tickets. (Photo by Hank Steermann.)

## Bloomingtondale Area Women in Business Present Annual \$1,000 Scholarship

The Bloomingtondale Area Women in Business annually awards a \$1,000 scholarship to a Bloomingtondale woman who is looking to improve her professional standing through continuing education or professional development.

**A recent resident question:** Are motorized scooters allowed in the Village of Bloomingtondale?

Per ordinance 2002-24 motorized scooters, motorized go-peds and other similar devices are not allowed upon any public or private street, highway, parking lot, sidewalk, school ground, bike path or on any other public property in the Village of Bloomingtondale.

There are still spots open for **Septemberfest** crafter and food booths, car show entries and the parade line-up. Applications are available at the Village Hall, 201 S. Bloomingtondale Road, from 8:30 – 4 pm. or on the website: [www.villageofbloomingtondale.org](http://www.villageofbloomingtondale.org) Click on Community, then Septemberfest 2016.

## Residents Form Wetlands Awareness Group

The **Springfield Park Wetlands** lie immediately adjacent to, and are accessible from Springfield Park's recreational areas. Since the 1980's, they have served as a retention basin within Bloomingtondale's storm water management system, holding up to 10 million gallons of excess storm water, thereby preventing serious flooding.

The basin was planted with wetland and prairie (native) plants in 1988 in order to restore the wetland habitat. The Wetlands serve as a protected urban refuge for numerous species of native plant, waterfowl, aquatic and animal life. They are home to over 50 kinds of birds, including waterfowl and many other species.

The Wetlands are circled by a 1.1 mile pedestrian path, with a bridge in the middle, a floating dock, a boardwalk and a fishing pier. If you have not seen this area, it is well worth a visit.

Even though native plants thrive in the wetlands, it is an ongoing struggle to protect that habitat, especially with eliminating invasive species.

A committee of energized local residents, dedicated to the ecological stewardship of the wetlands, have formed the Wetlands Awareness Group (WAG). They are raising funds to supplement and support the current restoration of the wetlands. Working in conjunction with the Bloomingtondale Parks Foundation, they seek to protect and enhance the beauty of this natural area - more butterflies, more frogs, more color, more native plants. ## Mi Casa Offers Authentic Mexican Food

Jose (l) and Eder are ready to serve you.

If you love Mexican food and are craving something more authentic than the franchise restaurants, you have to visit **Mi Casa**, Bloomingdale's newest Mexican eatery at 148 S. Bloomingdale Road. This storefront restaurant, next to Dairy Queen, is run by Jose DeLatorre and his wife Columba. They have a well-established restaurant in Wheaton, and opened this second location in May.

Jose's fare is distinctly from Guadalajara, Mexico, which is where

he was born and raised until the age of 15. Many of his dishes are his mother's recipes, lovingly prepared and made with the freshest ingredients. Add Jose's energetic personality to the authentic fare, and he has found the recipe for success.

Don't be intimidated by the extensive menu on the wall written in Spanish. There is a handy paper menu which explains all the dishes. Jose offers breakfast items, lunch, dinner and dessert. Although you may have a hard time deciding on your favorite dish, Jose says his most popular menu item is the taco, and he offers several varieties of them.

There are a few tables, although much of Jose's business is take-out. Catering is also available; call 630-912-2180.

Mi Casa is open from 10:30 a.m. - 10 p.m. Mon-Thurs; 10:30 a.m. - 11:00 p.m. Friday-Saturday and 11 a.m. - 9 p.m. Sunday. Jose hopes to be offering delivery in the near future. Don't wait; stop in soon to see what you've been missing.

## The Bloomingdale Business Beat

The Business Beat features news about businesses - newly opened ones, those under construction and those who have something special to tell the residents about - awards won, charitable fundraisers hosted, recent major remodels, etc.

Retail businesses provide a significant part of the village's tax base. Supporting them helps keep the Village portion of your property tax bill low.

## Eagle Falls Dentistry – Walking for Hope, for Help, for Life

The late Frank R. Szatkowski D.D.S. established the first dental practice in Bloomingdale in 1972 under the name of Associated Dental Care. In 2002, Dr. Frank's son, Dr. Adam Szatkowski, joined the practice. Soon after, Dr. Frank retired from practicing dentistry due to the onset of Lou Gehrig's disease (ALS). Dr. Frank fought ALS for five years, sadly succumbing to the disease in March 2007.

*The late Dr. Frank's wife Judy with their three children (l to r) Dane, Adam and Frank S. at the 2014 ALS Walk for Life.*

In 2014, Associated Dental Care adopted the name Eagle Falls Dentistry in honor of the late Dr. Frank R. Szatkowski. To this day, Dr. Adam and his team of highly trained professionals remain committed to providing the highest level of service with the same comfortable, gentle, pain-free care that the practice was founded upon 44 years ago.

In memory of Dr. Frank, the staff of Eagle Falls, joined by their friends and family, has annually walked in the ALS Walk for Life at Soldier Field to help fund research and in support of those living with ALS. This year, the walk is on Sunday, September 18, 2016 and the Eagle Falls team encourages interested persons to join them. In order to register for this year's walk, or to donate to the cause, go to [www.alswalkforlife.org](http://www.alswalkforlife.org)

All proceeds benefit the Les Turner ALS Foundation, Chicagoland's premier ALS organization, supporting nearly 90% of people living with ALS in the Chicagoland area, offering hope and help when it's needed most. Eagle Falls Dentistry is located at 76 Stratford Drive. Learn more about the practice at [www.mydentist.net](http://www.mydentist.net)

# Bloomingtondale Fire Protection District #1

## Bloomingtondale Fire District Given Highest Ranking by Insurance Service Organization

On June 22, 2016, the **Bloomingtondale Fire District** was awarded the highest Public Classification by the Insurance Service Organization (ISO). The **Bloomingtondale Fire District** received a **Class 1** designation and is now placed in the top 1% of fire departments nationwide and is one of six departments in Illinois to be recognized as a Class 1.

We consider this to be a testament to the hard work and contributions made by every member of the fire district in their training, operations, and commitment in reducing fire loss through fire suppression, public education and fire prevention.

Fire Departments across the country are rated by the Insurance Services Office, Inc (ISO) with a numerical indication of the department's abilities. ISO provides advisory services to the insurance industry to help them develop pricing strategies for property and casualty insurance in the United States. Property and business owners in communities with an excellent ISO rating benefit from lower insurance rates.

A community's Public Protection Classification is based on three main areas: fire department operations (50 percent), emergency communications (10 percent), and water supply (40 percent). ISO's evaluation program includes 10 classifications, with 1 being the highest and 10 being the lowest.

This ISO honor would not be possible without the support and commitment to public safety from our board of trustees, elected officials, the villages and their water departments and Ducommun. Additionally, the training, standard operating guidelines, and enhanced response from being part of the West Suburban Fire Rescue Alliance was instrumental. This is a collaborative effort between many agencies to provide outstanding service to our residents, businesses and visitors of the Bloomingtondale Fire Protection District.

*IOS Field Representative Mike Ramirez presented Fire District Board President Lydia DiBuono with the award. Many fire department personnel, current and former fire district commissioners and fire district retirees proudly stand by.*

## A few ISO facts

- Nationwide only 178 departments have a Class 1 designation (47,500 Departments Evaluated)
- In Illinois, five departments were previously awarded a Class 1 designation (2,299 total departments)
- ISO's evaluation is completed every few years
- Community Risk Reduction – ISO reviews community's risk reduction efforts which allows for extra credit points up to 5.5. That takes into account fire prevention code adoption and enforcement, public fire safety education, and fire investigation

## We're Almost There!

The flowers are planted, the trash receptacles and benches have arrived, the lampposts are in, the hanging flower baskets are up, and the entryway will be erected in August. We are expecting to have a ribbon cutting before Septemberfest to properly recognize the rebirth of Old Town as a community gathering place. Check the E-news, the Village and Police Department's Facebooks, and the Village website for an upcoming date to be chosen.
