“Growth with Pride”

1. The undersigned being the _____ of property located at
(Owner, Lessee, Tenant, etc.)
_____ does hereby request a
permit to use a commercial sewer/industrial connection serving the
_____, which company is engaged in
(Name of Company)
_____ at said location and is responsible for Village
(Type of Business) Code compliance covered by this permit.

1.1 A plat of the property showing accurately all sewers and drains now existing is a requirement under the site development/building permit.

1.2 Plans and specifications covering any work proposed to be performed under this permit is a requirement under the site development/building permit.

1.3 A complete schedule of all process waters and industrial wastes produced or expected to be produced at said property, including a description of the character of each waste, the daily volume and maximum rates of discharge, and representative analyses, is attached.

2. In consideration of the granting of this permit, the undersigned agrees:

2.1 To furnish any additional information relating to the installation or use of the commercial/industrial sewer for which this permit is sought as may be requested by the Building Commissioner.

2.2 To accept and abide by all provisions of Village Code Section 9-3, and of all other pertinent codes, ordinances or regulations that exist or may be adopted in the future.

2.3 To operate and maintain a control manhole and any waste pretreatment facilities, as may be required as a condition of the acceptance into the public sewer of the commercial/industrial wastes involved, in an efficient manner at all times, at no expense to the Village.

2.4 To cooperate at all times with the Building Commissioner and his representatives in their inspecting, sampling and study of the commercial/industrial wastes, and any facilities provided for pretreatment.

2.5 To notify the Building Commissioner immediately in the event of any accident, negligence, or other occurrence that occasions discharge to the public sewers of any wastes or process waters not covered by this permit.
