

IMPORTANT UPDATE REGARDING THE VILLAGE OF BLOOMINGDALE'S EXPANSION OF OUTDOOR SEATING ALLOWANCES

We truly appreciate everyone's flexibility and understanding as everything currently going on is extremely fluid and constantly evolving. As the Village attempts to keep our businesses updated with the most recent information, we wanted to provide an update to the documents that were circulated to you by the Village, last week.

Now that the Illinois Department of Commerce and Economic Opportunity (IDCEO) has issued guidelines and regulations for reopening in Phase 3, please be advised that the Village will be applying requirements based on the information provided in these documents.

Where there is conflicting information, please continue to use the information provided in the IDCEO documents and on their website:

If you are intending to expand your outdoor seating to the extent that it requires a Temporary Land Use Permit as stipulated in the Village's documents provided last week, please
