

Your Lifestyle.  
Your Coverage.

Dear New Hire,

You work hard for your paycheck, and we'd like to help you protect it.

We know that life is a balancing act. It's about standing up to the expected and unexpected every day. For more than 60 years, we've been dedicated to helping people protect their financial security and peace of mind when they've needed it most.

While you can't possibly foresee everything that can come your way, you can make smart choices so you are better prepared for the things life can throw at you. That's why I'd like to talk to you about Aflac insurance.

**Aflac is different from health insurance; it's insurance for daily living.** While major medical insurance pays doctors and hospitals, Aflac pays cash benefits directly to you (1). Benefits are paid regardless of any other coverage you may have— even workers' compensation. And because we want you to be able to focus on getting better and not worry about how you will pay the unexpected medical bills or other everyday living expenses such as rent/mortgage payments, we focus on getting you cash as quickly as possible. Most claims are paid within four days (2). And you can use the money however you see it.

**When you have an Aflac policy, it belongs to you, not your company.** You own it. So, if you change jobs, don't worry.

More information will be provided by your Aflac representative.

You'll always have our promise that we'll help protect you and your family. I look forward to assisting you.
